

IPHEX-2018
Taj Diplomatic Enclave and Pragati Maidan, New Delhi
8th-10th May 2018

The sixth edition of IPHEX (International Pharmaceuticals and Healthcare Exhibition), was organized in New Delhi

Over the years this event has grown beyond a simple exhibition to huge platform for meeting point of opportunities and in times to come will be one of the most sought after meeting platforms for all related stakeholders.

This initiative converges with the objective of Brand India Pharma Campaign which has been initiated by Ministry of Commerce, Govt of India. With the participation of several hundred delegates from large number of countries, this event, in addition to export promotion, is also being gradually positioned as meeting point for exploring investment opportunities/ joint ventures / collaborations in line with Make in India campaign.

IPHEX-2018 focussed on

- Showcase of products by Indian Exhibitors
- Focussed Buyer-Sellers Meet
- Meeting with Drug Regulators invited from various countries
- Technical Seminars on regulations and relevant topics.
